Strategic report

The directors present their strategic report for the year ended 30 June 2014.

Results and dividends

The loss for the year ended 30 June 2014 for the company, after taxation, amounted to £8,609,163 (7 months ended 30 June 2013: £27,165,922).

The directors do not recommend a dividend for the period. (2013: £ nil).

Review of the business

The company operates as an investment holding company. Its key investment is in the trading company Catalent CTS (Edinburgh) Limited, whose principal activity is that of contract packaging and distribution of clinical trial drug materials.

Principal risks and uncertainties

In its role as a parent undertaking the major risk and uncertainty is in the ability of its subsidiaries to continue to make dividend payments. Despite the downturn in the worldwide economy it is not anticipated that this will happen.

Director's report

The directors present the Directors Report for the period ended 30 June 2014.

Results and Dividend

The loss for the year ended 30 June 2014 for the company, after taxation, amounted to £8,609,163 (period ended 30 June 2013: £27,165,922). The directors do not recommend a dividend for the period. (2013: £ nil).

Principal activity

The principal activity of the company is an investment holding company.

Directors and their interests

The directors who held office during the year were as follows:

J G Hepburn

S Houlton

A Robinson

None of the directors in office during the year held any beneficial interests in the share capital of the company during the year.

Going concern

The financial statements have been prepared under the going concern basis; notwithstanding the company has net current liabilities. The directors believe this basis to be appropriate as the parent company has provided the company with an undertaking that for at least a year from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company to allow it to continue in operational existence and to meet its liabilities as they fall due for payment. It has further undertaken that it will act to ensure that repayment is not sought for at least a year from the date of signature of these financial statements of any amounts made available to the company by fellow group undertakings. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so. Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from this basis of preparation being inappropriate.

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the group's auditor, each director has taken steps that he is obliged to take as director in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

On behalf of the board

J G Hepburn

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent; and
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Catalent CTS UK Holding Limited

We have audited the financial statements of Catalent CTS UK Holding Limited for the year ended 30 June 2014 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic Report and Directors Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- Have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Catalent CTS UK Holding Limited (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- We have not received all the information and explanations we require for our audit.

Notes to the financial statements

At 30 June 2014

1. Accounting policies

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with applicable accounting standards in the United Kingdom.

Going concern

The financial statements have been prepared under the going concern basis; notwithstanding the company has net current liabilities. The directors believe this basis to be appropriate as the parent company has provided the company with an undertaking that for at least a year from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company to allow it to continue in operational existence and to meet its liabilities as they fall due for payment. It has further undertaken that it will act to ensure that repayment is not sought for at least a year from the date of signature of these financial statements of any amounts made available to the company by fellow group undertakings.

As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so. Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from this basis of preparation being inappropriate.

Group financial statements

The company has taken advantage of the exemption in section 401 of the Companies Act and has not prepared group financial statements for the period ended 30 June 2014. The company is a wholly owned subsidiary of another company which prepares group financial statements. These accounts present information about the company only and do not incorporate the results of its subsidiaries.

Statement of cash flows

As permitted by FRS 1 (Revised), no cash flow statement has been prepared as the company is a wholly owned subsidiary of Catalent Inc, whose group financial statements includes a consolidated cash flow statement and is publicly available.

Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more, tax, with the following exception:

- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Transactions denominated in foreign currencies are recorded in the local currency at actual exchange rates as of the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are reported at the rates of exchange prevailing at the balance sheet date. Any gain or loss arising from a change in exchange rates subsequent to the date of the transaction is included as an exchange gain or loss in the profit and loss account.
