Notes to the Abbreviated Accounts for the period ended 28 February 2015**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company is dependent upon the continuing financial support of the Directors to enable it to pay certain business expenses as they fall due. The accounts have been prepared on the going concern basis as the Directors believe that this basis is appropriate.

Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

Other accounting policies

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
