Notes to the Abbreviated Accounts for the period ended 30 April 2014

1 Accounting Policies

Basis of measurement and preparation of accounts
The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy
Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Tangible assets depreciation policy
Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives.

Other accounting policies
Finance lease and hire purchase charges
The finance element of the rental payment is charged to the profit and loss account on a straight line basis.

Assets on finance lease and hire purchase
Assets held under finance lease or hire purchase contracts i.e. those contracts where substantially all the risks and rewards of ownership have passed to the company, are included in the appropriate category of tangible fixed assets and depreciated over the shorter of the lease term and their estimated expected useful lives.
Future obligations under such contracts are included in creditors net of the finance charge allocated to future periods.

Deferred Taxation
Deferred tax is provided in full on timing differences that result in an obligation to pay more (or less) tax at a future date.
