URABURA BUDEK LTD

Notes to the Abbreviated Accounts for the Period Ended 26th March 2014

1. Accounting policies

Basis of measurement and preparation of accounts

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008) The company has taken an advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

Turnover policy

Turnover represents net invoiced sales of goods and services, excluding value added tax.

Tangible fixed assets depreciation policy

Depreciation is provided on all tangible assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are: Fixtures and fittings 25% on cost

Other accounting policies

- **Stocks** Stock and work in progress is valued at the lower of the cost and estimated net realisable value. Cost of raw materials is determined on the FIFO basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can release in the normal course of business, less further costs to completion of sale.
- **Deferred taxation** Deferred taxation is provided under the liability method in respect of all material timing differences between the profits as computed for taxation purposes and the profits as stated in the financial statements.
- **Hire purchase and lease transactions** Assets acquired under hire purchase agreement and finance lease are capitalised in the balance sheet and are depreciated in accordance with the company's normal policy. The outstanding liabilities under such agreements less interest not yet due are included in creditors. Interest on such agreements is charged to the profit and loss account over the term of each agreement and represents a constant proportion of the balance of capital repayments outstanding. Rentals under operating leases are charged to profit and loss account as they fall due.
- **Research and Development** Expenditure on research and development is written off in the year in which it is incurred.
