Chair's Report for Accounts and Public Benefit 2015-16

The Gandys Foundation opened its first Kids Campus in Sri Lanka in 2015 after generating great support from the public and press after all the activity of Gandys Fashion / Gandys International Limited.

The support from Gandys International Limited has helped with raising awareness for extra donations. The brothers behind Gandys also volunteer a huge amount of their time thus helping to drive further donations to the Gandys foundation. The Kids Campus is run by volunteers and all the funds collected aid building the Kids Campus.

At the start of this year we have put an extension on to the Kids Campus in Sri Lanka. The Gandys Kids Campus provides shelter, education, medication and nutrition for deprived children and will continue to provide support in the years to come.

We have now agreed and started building our second Kids Campus in Malawi which will open in September 2017
