Marine Production Technology Limited

Notes to the Abbreviated Accounts

Period from 13 May 2013 to 30 April 2014

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents amounts receivable for services provided.

Operating Lease Agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2. Share Capital

Allotted, called up and fully paid:

	No	£
Ordinary shares of £1 each	10	10

During the year, 10 ordinary £1 shares were issued at par.
