Notes to the Abbreviated Accounts for the period ended 31 May 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

The turnover shown in the Profit and Loss Account represents amounts receivable during the period, exclusive of value added tax.

Tangible assets depreciation policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful life.

Fixture & Fittings 25% Straight Line

Plant & Machinery 25% Straight Line

ICT 25% Straight Line

Intangible assets amortisation policy

Amortisation is calculated so as to write off the cost of an intangible asset, less its estimated residual value, over the useful economic life of that asset as follows:

Goodwill - over 20 years

Other accounting policies**Hire Purchase and Lease Commitments**

Assets obtained under hire purchase contracts or finance lease are capitalised in the Balance Sheet. Those assets held under hire purchase contracts are depreciated over their estimated useful lives. Those assets held under finance lease are depreciated over their estimated useful life or the lease term, whichever is the shorter of the two.

The interest element of these obligations is charged to the Profit and Loss Account over the relevant period and the capital element of the future payments are treated as a liability on the Balance Sheet. Rental applicable to operating leases where all the risks and rewards of ownership remains with the lessor are charged against profits on a straight line basis over the period of the lease.

Financial Instruments

Financial Instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments.

An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all its liabilities.
