COMPANIES HOUSE

Zurich Project Finance (UK) Limited (company registration number 09082621)

The directors present the strategic report, their report and the audited financial statements for Zurich Project Finance (UK) Limited ("the Company") for the year ended 31 December 2016.

STRATEGIC REPORT

The principal activity of the Company is to act as a vehicle for undertaking financing arrangements within the Zurich Insurance Group Ltd ("ZIG") group. The directors expect this activity to continue for the foreseeable future. The Company is a limited company domiciled and incorporated in England and Wales. The registered office is The Grange, Bishops Cleeve, Cheltenham, Gloucestershire, GL52 8XX.

On 31 July 2014 the Company received loans of £720m and £480m from Zurich (UK) General Services Limited ('ZUKGS') and Zurich Employment Services Limited ('ZES') respectively. The legal and beneficial interests in these loans were immediately assigned, by ZUKGS and ZES, to Zurich (Scotland) Limited Partnership ("ZSLP").

On 31 July 2014 the Company issued a subordinated loan of £480m to Zurich Employment Services Limited ("ZES") and a subordinated loan of £720m to Zurich UK General Services Limited ("ZUKGS").

The results for the year are set out on page 6. The profit on ordinary activities before taxation amounted to £718,000 (2015: £716,000). After taking taxation into account, the amount transferred to reserves was £574,000 (2015: £571,000). The result for the year principally consists of interest payable and receivable on the loans set out below.

At 31 December 2016, the Company had net assets of £1,379,000 (2015: £805,000).

The Company's principal risks and uncertainties relate to financial instruments, as the execution of the Company's strategy is subject mainly to financial risks. The Company's financial instruments and its exposure to financial risks are summarised in notes 6, 9 and 11. The Company is not subject to any material risks or uncertainties of its own, over and above those stated. Following the recent decision by the UK to leave the European Union there is an underlying level of uncertainty in the UK regarding the financial and economic impacts of that decision. However, the risk to the Company is not considered to be significant as the company has mitigated its exposure to market and currency risk by fixing the interest rates associated with its financial instruments and denominating these in Sterling.

Given the nature of the business, the Company's directors are of the opinion that no additional key performance indicators are necessary for an understanding of the development, performance and position of the business other than the performance and position shown in the profit and loss account and balance sheet on pages 6 and 7.

The directors are satisfied that the Company has adequate resources to continue in operational existence for the foreseeable future and, accordingly, it is appropriate to use the going concern basis in preparing the financial statements.

There have been no appointments or resignations between the end of the financial year and the date of signing these financial statements.

Qualifying third party indemnity provisions (as defined in Section 234(2) of the Companies Act 2006) have been in force for the benefit of directors during the year and remain in force as at the date of this Directors' Report.

Independent Auditors

The auditors, PricewaterhouseCoopers LLP, have signified their willingness to continue in office and a resolution that they be re-appointed will be proposed at the Annual General Meeting.

Financial Instrument Risk and Future Outlook

The directors have elected to include a description of the nature of the Company's exposure to financial instrument risk and the future outlook, as required by regulations made under section 416(4) of the Companies Act 2006, within the Strategic Report as permitted by section 414C(11) of the Companies Act 2006.

Statement of Directors' Responsibilities

The following statement sets out the responsibilities of the directors in relation to the financial statements of the Company. The report of the auditors, shown on pages 4 and 5, sets out their responsibilities in relation to the financial statements.

The directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable law and regulations.

Zurich Project Finance (UK) Limited

DIRECTORS' REPORT (continued)

Statement of Directors' Responsibilities (continued)

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each director is aware, there is no relevant audit information of which the Company's auditors are unaware.

Each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

The directors consider that they have pursued the actions necessary to meet their responsibilities as set out in this statement.

INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF ZURICH PROJECT FINANCE (UK) LIMITED

Report on the financial statements

Our opinion

In our opinion Zurich Project Finance (UK) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the Reports and Financial Statements comprise:

- the Balance Sheet, as at 31 December 2016;
- the Profit and Loss Account for the year then ended;
- the Statement of Changes in Equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic Report and the Directors' Report. We have nothing to report in this respect.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Zurich Project Finance (UK) Limited

INDEPENDENT AUDITORS' REPORT TO THE MEMBER OF ZURICH PROJECT FINANCE (UK) LIMITED (CONTINUED)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of Directors' Responsibilities set out on pages 2 and 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's member as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Reports and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Strategic Report and Directors' Report, we consider whether those reports include the disclosures required by applicable legal requirements.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of Presentation

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006.

Summary of FRS 101 exemptions adopted

FRS 101 sets out a reduced disclosure framework which addresses the financial reporting requirements and disclosure exemptions for the individual financial statements of subsidiaries and ultimate parents that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted International Financial Reporting Standards.

The Company has taken the following exemptions in preparing the financial statements:

- The requirements of IAS 1 'Presentation of Financial Statements' paragraph 16 regarding an explicit and unreserved statement of compliance with IFRS accounting, in accordance with FRS 101 paragraph 8(g).
- The requirements of IAS 7 'Statement of Cash Flows' in accordance with FRS 101 paragraphs 8(h) and where relevant, 8(g).
- The requirements of IAS 8 'Accounting Policies, Changes in Accounting Estimate and Errors' paragraphs 30 and 31 in respect of new standards, amendments and interpretations issued but not effective for the financial year in accordance with FRS 101 paragraph 8(i).
- The requirements of IAS 24 'Related Party Disclosures' paragraph 17, to disclose key management compensation in accordance with FRS 101 paragraph 8(j).
- The requirements of IAS 24 'Related Party Disclosures' to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is party to a transaction is wholly owned by such a member, in accordance with FRS 101 paragraph 8(k).

1.2 Other Interest Receivable and Similar Income

Other interest receivable and similar income include interest on fixed asset investments and are accounted for on an accruals basis.

1.3 Interest Payable and Similar Charges

Interest payable and similar charges include interest on fixed interest borrowing and guarantee fees and are accounted for on an accruals basis.

NOTES TO THE FINANCIAL STATEMENTS (continued)

1. Accounting Policies (continued)

1.4 Administrative Expenses

Administrative expenses are charged to the profit and loss account on an accruals basis.

1.5 Current Taxation

The tax expense for the period comprises current tax. Tax is recognised in the profit and loss account, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in shareholders' funds, respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

1.6 Investments

The loan of £1,200.0m was lent at cost and the interest income is credited to the profit and loss account using the effective interest method. The effective interest method is used to allocate all cash flows over the expected life of the investment. An effective interest rate of 5.91% (2015: 5.91%) was used for the calculation of the amortisation on the £1,200.0m loan.

1.7 Creditors: Amounts Falling Due After More Than One Year

Creditors: Amounts Falling Due After More Than One Year are initially included in the balance sheet at the value of consideration received, net of any issue costs. The liability is thereafter stated at amortised cost using the effective interest method which is used to allocate all cash flows over the expected life of the debt. An effective interest rate of 5.01% (2015: 5.01%) was used for the calculation of amortisation on the £1,200.0m senior loan.

2. Auditors' Remuneration

The fees payable to the Company's auditors for the audit of the Company's financial statements were £3,517 (2015: £3,790).

3. Employee Information

Staff are not employed directly by the Company and accordingly the Company does not incur direct staff or pension costs. The costs of staff working for the Company in 2016 and 2015 have been borne by another group undertaking.

The principal disclosures in respect of these staff appear in the financial statements of Zurich Employment Services Limited, copies of which can be obtained from The Secretary, Zurich Employment Services Limited, The Zurich Centre, 3000 Parkway, Whiteley, Fareham PO15 7JZ.

4. Directors' Remuneration

The remuneration of the directors for services to the Company as directors during the year was £nil (2015: £nil).

No advances or credits granted to any director subsisted during the year (2015: £nil). Also, no guarantees on behalf of any director subsisted during the year (2015: £nil).

NOTES TO THE FINANCIAL STATEMENTS (continued)**5. Tax on Profit on Ordinary Activities**

Tax expense included in profit and loss account		
	2016 £'000	2015 £'000
Current Tax:		
- UK Corporation Tax on profits for the year	144	145
Tax on Profit on Ordinary Activities	144	145

The tax expense for the year is the same as (2015: same as) the standard rate of corporation tax in the UK of 20% (2015: 20.25%). The differences are explained below.

	2016 £'000	2015 £'000
Profit on Ordinary Activities Before Taxation	718	716
Profit multiplied by the standard rate of corporation tax in the UK of 20% (2015: 20.25%)	144	145
Tax charge	144	145

The tax rate for the current year is lower than the prior year due to changes in the UK Corporation tax rate which decreased from 21% to 20% with effect from 1 April 2015.

Further reductions to the UK corporation tax rates were substantively enacted as part of the Finance No.2 Act 2015 on 26 October 2015 and the Finance Act 2016 on 6 September 2016. These reduce the main rate to 19% from 1 April 2017 and to 17% from 1 April 2020.

6. Investments**Loans and Receivables**

	2016 £'000	2015 £'000
Subordinated loans to group undertakings	1,200,000	1,200,000

On 31 July 2014, the Company loaned £480.0m to ZES at an interest rate of 5.91%.

On 31 July 2014, the Company loaned £720.0m to ZUKGS at an interest rate of 5.91%.

The loans to both ZES and ZUKGS are subordinated and undated.

In the event of a winding-up of ZES or ZUKGS, the rights of the Company in respect of the undated subordinated loans or any accrued but unpaid interest thereon shall be subordinated in right of payment to the claims of all unsubordinated creditors or subordinated creditors of ZES or ZUKGS, whose claims rank, or are expressed to rank senior to the claims of the Company but shall rank ahead of the claims of any holders of issued shares of ZES or ZUKGS in respect of capital, dividends or any other distribution.

NOTES TO THE FINANCIAL STATEMENTS (continued)**11. Financial Instruments and Financial Risk**

The Company's financial instruments comprise subordinated loans to group undertakings and senior debt from group undertakings.

The main risk to the Company arising from its financial instruments is credit risk arising from loans made to fellow group companies. As those companies have sufficient net assets or facilities in place to meet their obligations to the Company as they fall due, the Directors consider the credit risk to be low, and therefore, the credit quality high. The total maximum credit exposure on the investments as at 31 December 2016 was £1,200.0m (2015: £1,200.0m).

The financial assets and liabilities have fixed interest rates, which result in interest receivable exceeding interest payable. As such, the Company has managed its interest rate risk. In addition, as the underlying instruments are denominated in sterling, they carry no exchange risk.

The Company's finances, along with those of the fellow group companies to whom loans have been made, are managed actively in conjunction with the activities of the Zurich Group to ensure that sufficient funds are available to meet liabilities as they fall due. This, together with the guarantee for payments of principal and interest that the Company has with the Parent Company, mitigate any liquidity and credit risk that the Company may face.

Interest rate risk profile of financial liabilities

The interest rate risk profile of the financial liabilities at 31 December was as follows:

	2016 £'000	2015 £'000
Fixed Rate Financial Liabilities:		
£1,200m 5.01% Dated Subordinated Bonds	1,200,000	1,200,000

Maturity Analysis of Financial Liabilities

The maturity of funding is managed in conjunction with the profile of that of the entire Zurich Group. The group's objective is to maintain a balance between continuity of funding and flexibility through the use of borrowings. As noted above, the Company's total borrowings will mature in 21.58 years.

The maturity profile of the financial liabilities, based on expected maturity date, at 31 December was as follows:

	2016 £'000	2015 £'000
In one to five years	-	-
In greater than five years	1,200,000	1,200,000
	1,200,000	1,200,000

The following schedule shows the maturity analysis of the contractual cash flows of the financial liabilities, calculated on an undiscounted basis. The cash flows include the repayment of the principal amount together with the associated interest payments over the term of the financial liabilities.

	2016 £'000	2015 £'000
Less than one year	60,106	60,106

Over five years	2,161,696	2,196,758
	2,552,332	2,557,394

In addition to the cash flows above, the Company incurs an annual fee of £10.1m for a guarantee provided by the Parent Company in respect of the payment of the principal and interest on the loan provided by ZSLP.

NOTES TO THE FINANCIAL STATEMENTS (continued)**11. Financial Instruments and Financial Risk (continued)****Fair Values of Financial Assets and Financial Liabilities**

Set out below is a comparison by category of book values and fair values of all financial assets and financial liabilities as at 31 December.

In accordance with Level 3 of the fair value hierarchy contained in IFRS 13, the fair values of the long-term loans to and from group undertakings have been calculated as the present value of discounted future cash flows, discounted at the risk-free rate.

The book value of the cash at bank and in hand has been taken to represent fair value.

12. Related Parties**a) Ultimate Parent Company**

The Company's ultimate parent company and ultimate controlling party is Zurich Insurance Group Ltd, which is incorporated in Switzerland. Zurich Insurance Group Ltd is the parent company of the largest group of companies, of which the Company is a wholly owned subsidiary, for which group accounts are drawn up. Zurich Insurance Company Ltd, which is incorporated in Switzerland, is the parent company of the smallest group of companies, of which the Company is a wholly owned subsidiary, for which group accounts are drawn up. Copies of the consolidated financial statements of Zurich Insurance Group Ltd and Zurich Insurance Company Ltd can be obtained from the Secretary of that company at the following address:

Mythenquai 2
8002 Zurich
Switzerland

b) Related Party balances

No contract of significance existed at any time during the year in which a director or key manager was materially interested or which requires disclosure as a related party transaction as defined under IAS 24.
