Notes to the Financial Statements
for the Year Ended 30 September 2018

1. STATUTORY INFORMATION

Osmosis IT Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles	- 25% on reducing balance
Computer equipment	- 25% on reducing balance

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

Trust

The Company has created a trust whose beneficiaries will include employees of the Company and their dependents. Assets held under this trust will be controlled by trustees who will be acting independently and entirely at their own discretion.

Where assets are held in the trust and these are considered by the Company to be in respect of services already provided by employees to the Company, the Company will account for these as assets of the trust when payment is made to the trust. The value transferred will be charged in the Company's profit and loss account for the year to which it relates.

**Notes to the Financial Statements - continued
for the Year Ended 30 September 2018****2. ACCOUNTING POLICIES - continued****Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Provisions are measured at the present value of the expenditures expected to be required to settle the obligation taking into account the risks and uncertainties surrounding the obligation.

Pensions

For a defined benefit scheme, the liability recorded in the balance sheet is the present value of the defined obligation at that date. The defined benefit obligation is calculated on an annual basis by independent actuaries. Actuarial gains and losses are recognised in full in the period in which they occur and are shown in Other Comprehensive Income.

Current and past service costs, along with settlements or curtailments, are charged to the Income Statement. Interest on pension plan liabilities are recognised within finance expense.
