Notes to the Financial Statements
for the year ended 31 December 2018

1. STATUTORY INFORMATION

Nikal (Ecclesall Road) Limited is a private company, limited by shares , registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

The amounts in the financial statements have been rounded to the nearest £1.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements have been prepared under the historical cost convention.

Going concern
At the balance sheet date the company had an excess of liabilities over assets. The financial statements have been prepared on a going concern basis as the major shareholder of the ultimate parent undertaking, Nikal (Jersey) Limited, has confirmed that the parent company will continue to provide financial support to the company for the foreseeable future.

Turnover
The turnover shown in the profit and loss account represents amounts receivable during the year, exclusive of Value Added Tax. Turnover is recognised on legal completion of properties.

Stocks and work in progress
Stocks and work in progress are held at the lower of cost and net realisable value and comprise land held for development, completed and part-completed development properties held for resale. Cost comprises purchase or construction cost plus directly attributable overheads. Net realisable value is based on estimated selling price less all further costs to completion less selling and marketing costs.

Taxation
Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
