SUN AND SOIL RENEWABLE 20 LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

PERIOD FROM 18 FEBRUARY 2015 TO 29 FEBRUARY 2016

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Going concern

The financial statements have been prepared under the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends upon the continuing support of the group company and directors.

If the company were unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of the assets to their recoverable amounts and to provide for further liabilities that might arise. The directors believe that it is appropriate for the financial statements to be prepared on the going concern basis.

2. SHARE CAPITAL

Allotted, called up and fully paid:

	No	£
Ordinary shares of £0.01 each	<u>100</u>	<u>1</u>

3. ULTIMATE PARENT COMPANY

The company is a 100% owned subsidiary of Sun and Soil Solar Farms Ltd.
