TRUSTEES' REPORT
For the year ended 30 June 2025

The Trustees present their Annual Report together with the financial statements of the Charity for the year 1 July 2024 to 30 June 2025. The Annual Report serves the purposes of both a Trustees' Report and a Directors' Report under company law. The Trustees confirm that the Annual Report and Financial Statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and performance

a. Objectives and activities

The objects of The British Ski & Snowboard National Foundation ("BSSNF" or "the Charity") are:

- Promoting community participation in skiing, snowboarding, and other snowsports by providing facilities, equipment, and events;
- Supporting individuals who require access to sports training and facilities due to youth, age, disability, financial hardship, or other social and economic circumstances; and
- Advancing education through bursaries for children and young people.

The Charity ordinarily carries out its activities through grant-making. During the year, no grants were made while the Trustees reviewed the Charity's future fundraising strategy, grant-making priorities, and operating model. The Trustees considered it appropriate to pause grant-making until a clear framework was established to raise and deploy funds sustainably in support of young athletes, grassroots participation, and wider access to snowsports.

b. Public benefit

In planning and reviewing the Charity's activities, the Trustees have had regard to the guidance published by the Charity Commission on public benefit, including "Public Benefit: Running a Charity (PB2)". The Trustees ensure that future grant-making frameworks remain strictly aligned with these core charitable objects, specifically targeting the removal of financial and social barriers to participation for young people.

TRUSTEES' REPORT (CONTINUED)
For the year ended 30 June 2025

Financial review

a. Going concern

After due consideration of the Charity's current liquid reserves, its exceptionally low fixed-overhead base, and the discretionary nature of its operational spend, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the going concern basis continues to be adopted in preparing the financial statements.

b. Financial position and reserves policy

The Charity maintains reserves to support future grant-making activities and to meet essential ongoing governance and administrative costs. At the balance sheet date, unrestricted general funds and free reserves stood at £14,367 (2024: £20,487).

The Charity received no income during the year (2024: £1,000) and incurred expenditure of £6,120 (2024: £18,431), relating principally to accountancy, compliance, and systems costs. The Trustees are preserving the remaining capital reserves to cover these core operating costs while the refreshed operational plan is finalised.

Structure, governance and management

a. Constitution and governance

The British Ski & Snowboard National Foundation is registered as a charitable company limited by guarantee, incorporated under a Memorandum and Articles of Association.

The Charity is governed by a Board of three Trustees, who serve as directors for company law purposes and are responsible for the overall management and strategic direction of the organisation. Trustees are appointed in accordance with the provisions set out in the Articles of Association. The Articles require a minimum of three Trustees and do not specify a maximum number.

Future outlook

The Trustees recognise that many young athletes and community programs in UK snowsports continue to face material financial barriers to training, equipment, and facility access. The Trustees are developing a refreshed fundraising strategy designed to diversify and broaden the donor base. This will allow the foundation to restart grant-making on a sustainable footing, with an intended focus on grassroots participation and talent development pipelines, including Olympic and Paralympic pathways where appropriate.

TRUSTEES' REPORT (CONTINUED)
For the year ended 30 June 2025

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 30 June 2025

1. General information

The British Ski & Snowboard National Foundation is a charitable company, limited by guarantee, registered in England and Wales, and whose registered office address is 101 New Cavendish Street, London, W1W 6XH. The Charity's objects are set out in the Trustees' Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The British Ski & Snowboard National Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in Sterling, the functional currency of the Charity, and amounts are rounded to the nearest £.

2.2 Going concern

The Charity is reliant upon donations to meet its day-to-day running costs, and grant-making activities. The Charity has received assurances that donations will continue to be available from the Trustees and/or connected organisations. As a result, the Trustees consider it appropriate for the financial statements to be prepared on the going concern basis.

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2. Accounting policies (continued)

2.4 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations and investment income are recognised when receivable.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 30 June 2025

2. Accounting policies (continued)

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Office equipment	- 33.33% Reducing Balance
------------------	---------------------------

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. There are no estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
