**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 30/11/2020**

1. ACCOUNTING POLICIES

1a. Basis Of Accounting

The accounts have been prepared under the historical cost convention.

The accounts have been prepared in accordance with FRS102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006 .

1b. Going Concern

These financial statements have been prepared on the going concern basis, as the director has indicated that he is willing to support the business until it achieves net assets.

1c. Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Equipment	reducing balance 25%
-----------	----------------------

1d. Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell (net realisable value). Net realisable value is based on the estimated selling price less any estimated completion or selling costs.

When stocks are sold, the carrying amount of those stocks is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of stocks to net realisable value and all losses of stocks are recognised as an expense in the period in which the write-down or loss occurs. The amount of any reversal of any write-down of stocks is recognised as a reduction in the amount of stocks recognised as an expense in the period in which the reversal occurs.

1e. Foreign Currency

Transactions in currencies, other than the functional currency of the company, are recorded at the rate of the exchange on the date the transaction occurred. Monetary items denominated in other currencies are translated at the rate prevailing at the end of the reporting period. All differences are taken to the profit and loss account. Non-monetary items that are measured at the historic cost in a foreign currency are not retranslated.

1f. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances. Revenue from the sale of goods is recognised when goods are delivered and legal title has passed.
