PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

We ran an outdoor community cafe in Sefton Park over the Summer. This attracted a lot of local residents, dog walkers and cyclists. The aim has been to provide needed services and a place where people can connect with others. This helps build stronger communities.

We've taken part in a number of organised community events, providing activities for local residents. This has included music & song-writing and arts & crafts. We used these connections to further understand the area and its needs. This would enable us to shape our activities and services to meet the local needs.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Our stakeholders are local residents of Saintry Ferry. We've spent time connecting with them through organised events where we've provided activities and workshops. We've also connected with specific local people who have an understanding of local needs. This has included local town councillors and members of the residents association. Feedback from our stakeholders has (and continues to have) a direct impact on what we provide. This financial year has led up to a renovation project which aims to provide longer term solutions to local needs. Feedback has been vital in dictating what resources we make available, what times we look to be open, what activities and services we aim to offer from the community building.

(If applicable, please just state "A social audit report covering these points is attached").

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

No remuneration was received

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.
