Dean Jody Austin

Statement of director's responsibilities

The director is responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations and in accordance with United Kingdom Generally Accepted Accounting Practice. Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (Financial Reporting Standard 102). Under company law the director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.
In preparing these financial statements, the director is required to :

- select suitable accounting policies and then apply them consistently
- make judgements and accounting estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. The director is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
The director is responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom, governing the preparation and dissemination of financial statements, may differ from legislation in other jurisdictions

On behalf of the board.

1. Accounting policies

Significant accounting policies

Statement of compliance

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

Going concern basis

The directors believe that the company is experiencing good levels of sales growth and profitability, and that it is well placed to manage its business risks successfully. Accordingly, they have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Finance lease and hire purchase charges

The finance element of the rental payment is charged to the profit and loss account on a straight line basis.

Website cost

Planning and operating costs for the company's website are charged to the profit and loss account as incurred.

Taxation

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves.
The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date.
Current and deferred tax assets and liabilities are not discounted

Dividends

Proposed dividends are only included as liabilities in the balance sheet when their payment has been approved by the shareholders prior to the balance sheet date.

Intangible assets

Intangible assets (including purchased goodwill and patents) are amortised at rates calculated to write off the assets on a straight line basis over their estimated useful economic lives. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable.

Goodwill

Acquired goodwill is stated at cost less amortisation. Amortisation is calculated on a straight line basis over the estimated expected useful economic life of the goodwill of 10 years.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures and Fittings	25% Reducing Balance
Land and Buildings	0% Straight Line
Motor Vehicles	25% Reducing Balance
Plant and Machinery	25% Straight Line
