1. **Accounting policies**

Significant accounting policies

The company's financial statements have been prepared in compliance with Section 1A of FRS 102 'The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland' and the Companies Act 2006.

The financial statements have been prepared under the historical cost convention and on a going concern basis. The financial statements comprise the unaudited financial statements of the company up to 31 July each year, and are stated in pound sterling, the company's functional and presentational currency.

The principal accounting policies applied in the preparation of these financial statements are set out below, these policies have been applied consistently to all the years presented, unless otherwise stated.

Going concern basis

The Directors have formed a judgement, at the time of approving the financial statements, that there is an expectation that the company, with the support of its shareholders, has adequate resources to continue in operational existence for the foreseeable future being at least twelve months from the date of the financial statements. For this reason, they continue to adopt the going concern basis in preparing the financial statements as set out in the going concern section of the Directors' Report.

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. A current tax asset is recognised in respect of a tax loss that can be carried back to recover tax paid in a previous period.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Computer Equipment	20% Reducing Balance

Fixed asset investments
