Notes to the Accounts

for the period from 27 November 2019 to 31 March 2021

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

Turnover

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. The Company is producing the British qualifying film tentatively titled as "Screem" (the Film). The turnover recognised by the Company relates only to this Film.

The turnover in the P&L account relates to acquisition advances / funding received from Big Films Media FZ LLC in relation to the acquisition of the Film.

Cost of sales

Production cost of the Film is recognised in the profit & loss account as cost of sales for the amount of acquisition advances / funding received. Balance Production cost is carried forward as Work in progress and is deemed recoverable from future income/revenue of the Film.

Work in progress

Work in progress is measured at the lower of cost and estimated selling price less costs to complete and sell. Balance production cost of the Film at the balance sheet date is carried forward as work in progress on the basis that it is deemed recoverable from the future income/revenue of the Film.

Taxation

A current tax liability is recognised for the tax payable on the taxable profit of the current and past periods. The tax credit claimed relates to the Film. Deferred tax assets based on timing differences is not applicable in respect of this Company's claim for film tax credits.

Foreign currency translation

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.
