**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2026**

1. STATUTORY INFORMATION

Heytesland Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

The directors have made an assessment in preparing these financial statements as to whether the company is a going concern and have concluded that the company is unable to continue as a going concern and project the 2026 financial year to be their last.

INVESTMENT PROPERTY

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

FINANCIAL INSTRUMENTS

Basic financial instruments are initially measured at the transaction price, unless the arrangement constitutes a financing transaction, when it is measured at the present value of the future repayments and discounted at a market rate of interest for a similar debt instrument. Debt instruments are subsequently measured at amortised cost.

TAXATION

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

DEFERRED TAX

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

GOING CONCERN

In determining the appropriate basis of preparation of the financial statements, the directors are required to consider whether the company can continue in operational existence for the foreseeable future.

The company has ceased activity and is intending to be closed. Accordingly, the financial statements have been prepared on the basis other than going concern. The current year financial statements have been reflected to show the change in basis.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 2 (2025 - 2) .
