Company activities and impact

MakeWay4Growth CIC is a community-focused organisation established to empower individuals and strengthen communities by addressing barriers to economic independence, personal development, and social inclusion. Although the organisation is currently in its developmental phase, it is laying the foundation for sustainable programmes that will create lasting impact for women, young adults, and disadvantaged members of the community.

Our activities include:

Delivering poverty alleviation initiatives that equip women and young adults with practical skills, knowledge, and opportunities to improve their economic wellbeing.

Providing mentoring and coaching to individuals from disadvantaged and underrepresented backgrounds, helping them build confidence, resilience, and clear pathways to success.

Supporting aspiring entrepreneurs with business start-up guidance, enterprise development, signposting to funding opportunities, and access to networks that encourage sustainable business growth.

Delivering "Back to Work" initiatives that assist unemployed or economically inactive individuals to re-enter the workforce through career coaching, employability skills, CV development, interview preparation, and job search support.

Organising workshops, seminars, networking events, and community engagement activities that promote leadership, financial literacy, wellbeing, and lifelong learning.

Working collaboratively with charities, public sector organisations, educational institutions, employers, and local businesses to create opportunities that improve social mobility and reduce inequality.

Encouraging volunteering, peer support, and community participation to foster stronger, more resilient communities where individuals are empowered to contribute positively to society.
