## Notes to the Financial Statements for the Year Ended 30 September 2025

### 1. STATUTORY INFORMATION

Miller Holdings And Investments Limited is a private company, limited by shares , registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

### 2. ACCOUNTING POLICIES

**Basis of preparing the financial statements**
These financial statement have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention. The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

**Turnover**
Turnover is recognised when, and to the extent that, the company obtains the right to consideration. The point of recognition is after the service has been performed, when the risk and rewards associated with the goods/services have been transferred or in accordance with contractual terms. The company is not VAT registered.

**Tangible fixed assets**
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and machinery etc - 25% on reducing balance

**Investment property**
Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

**Taxation**
Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

**Deferred tax**
Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Hire purchase and leasing commitments**
Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

**Going concern**
The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.
