These accounts have been prepared in accordance with the provisions available to companies subject to the small companies regime within Part 15 of the Companies Act 2006 and with the Financial Reporting Standard for Smaller Entities (effective April 2008)

For the financial period ended 30 June 2010 the company was entitled to exemption from audit under section 477 Companies Act 2006. No member of the company has deposited a notice, pursuant to section 476, requiring an audit of these financial statements under the requirements of the Companies Act 2006

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial period and of its profit or loss for the financial period in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the company

Approved by the board of directors on 25-3-2011 and signed on its behalf

Leshe Gilmore - Director

Terence Gilmore - Director

Company Registration No: NI059708

The notes on pages 2 to 3 form part of these financial statements

LESTER CONSTRUCTION LIMITED

Notes to the abbreviated accounts for the period ended 30 June 2010

1 Accounting policies

a) Going concern

The company is involved in property development and in the current economic climate it is dependent on the continued support of the bank and its creditors to enable it to continue to trade. Included in creditors due within one year are amounts owing to directors of £106,782 which will not be repaid until the company is in a position to do so.

The directors recognise that the circumstances described above represent a material uncertainty that casts doubt on the ability of the company to continue as a going concern. Nevertheless, having considered these circumstances, the directors are confident that the company will continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

c) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

d) Depreciation of tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are:

Equipment, fixtures and fittings	25%	on cost
Plant and machinery	15%	on cost

e) Stocks

Stock and work in progress is valued at the lower of cost and estimated net realisable value.

Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.

f) Hire purchase and lease transactions

Rentals under operating leases are charged to the profit and loss account as they fall due.

LESTER CONSTRUCTION LIMITED
