Objects and activities of the charity

The purposes of the charity as set out in its governing document.

Pretty n Pink Limited's objectives and aims are as follows:

- to promote awareness of Breast Cancer among both women and men in Northern Ireland;
- to link directly with credible mainstream charities;
- to leverage and promote related fund raising events in Northern Ireland, with funds being fed directly back to Breast Cancer patients;
- and to provide help and support to Breast Cancer patients throughout the province by raising funds and through the development of an online website and information exchange forum and the implementation of awareness programmes in schools.

The main activities undertaken in relation to those purposes during the year.

Fundraising activities carried out by the Charity include income from the charity shop, Belfast City Marathon, an annual Gala Ball, charity partnerships, road collections, supermarket bucket collections, marketing campaigns and other fundraising activities that raise funds for the Charity. These events promote greater awareness of Breast Cancer in Northern Ireland. The funds received from these events are retained by Pretty 'n' Pink Support Fund to provide financial support services via the Pretty n Pink Support Fund. The funds are also used to provide counselling and complimentary therapies to Breast Cancer patients and their families across Northern Ireland.

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The Charity hosts awareness and information days across Northern Ireland giving the public information on the services that can help when a Breast Cancer diagnosis is received. We also provide information about the Charity and Self Check Shower cards to make the public more aware of the first signs of Breast Cancer. We work closely with local hospitals across Northern Ireland ensuring they have relevant information about the Charity to provide to their patients. During October, we promote Breast Cancer, encouraging local businesses across Northern Ireland to get involved in our awareness campaigns. We also have a focus on our "Real Men Wear Pink" campaign to highlight and raise awareness of male Breast Cancer. The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

Trustees' Annual Report for the year ended 31 August 2023

The short term and longer term aims and objectives.

The Charity aims to provide financial and other support to patients with Breast Cancer in Northern Ireland, as well as to provide information and promote awareness of Breast Cancer and work alongside other Charities to ensure patients are aware of the services the charity provides.

The main achievements and performance of the charity during the year.

This year, Pretty n Pink has supported 495 patients with grants of just over £136,000 from the Pretty n Pink Support Fund, providing patients with essentials such as oil, heating, electricity, gas, groceries, mastectomy underwear, new bedding and other essential items, as well as Counselling Services and Complementary Therapies to both patients and their families.

In June 2018 and again in June 2022, Pretty n Pink was selected by the Lord Mayor of Belfast as one of the mayoral charities. In August 2022, the charity received £75,000 from The Community Foundation to enable it to launch a carer's service for those affected by Breast Cancer.

In September 2022 the Charity opened a second Information & Support Hub in Portadown. This was opened due to the increase in referrals coming from Craigavon Area Hospital which services Portadown, Armagh, Banbridge and Newry areas.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

Pretty n Pink has provided support of just over £136,000 to Breast Cancer patients and their families in Northern Ireland. The Charity has been able to help patients financially, easing some of the stress and anxiety during their Breast Cancer diagnosis. Having a support network available to patients has proved invaluable. Patients who are further along their cancer journey are sharing their experiences with others, ensuring that the Charity can reach as many people as possible.

The degree to which the achievements and performance during the year have benefited wider society.

The Charity has been able to interact with members of the public through, among other things, road collections and bag packs to create a volunteer base. Patients who are further along in their cancer journey have been able to receive support through volunteering and enjoy the activities and events they are involved in. Through these types of events, we have encouraged businesses and health professionals to work in partnership with the Charity which has resulted in having access to more information regarding recovery and how to live life beyond Breast Cancer. Through the support of others, this has increased fundraising and the Charity has been able to provide more support groups and group outings.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

Following discussions among the current Trustees, a decision was taken to recruit and appoint new charity trustees to fill roles where there was no Board experience in areas such as charity governance, patient support, legal and HR. A detailed description of the role was prepared and advertised on all relevant platforms. A shortlist was created and once an appointment was made, a full induction process was undertaken.

Financial review

The charity's financial position at the end of the year ended 31 August 2023

The financial position of the charity at 31 August 2023 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2023	2022
	£	£
Net income	68,689	38,790
Unrestricted Revenue Funds available for the general purposes of the charity	360,117	253,928
Restricted Revenue Funds	-	37,500
Restricted Fixed Asset Funds	-	-
Restricted revaluation reserve	-	-
Total Restricted Funds	-	37,500
Total Funds	360,117	291,428

Financial review of the position at the reporting date, 31 August 2023

The trustees consider the financial performance by the charity during the year to have been satisfactory. Pretty n Pink Limited had a surplus of £68,689 during the year ended 31 August 2023 (last year, £38,790). Gross funds of £377,155 were raised through a combination of trading, fund raising events, charity box collections and donations (last year, £243,801). A retail shop was opened in June 2013. However, the primary purpose of the trading activity of the retail shop is as part of the charity's charitable purposes or aims. Any profits from the charity's charitable trading are used for charitable purposes only. In pursuit of the charity's aims and objectives, donations of £136,009 were made to nominated individuals in the year ended 31 August 2023 (last year, £81,560). Management and other expenses have been kept at an absolute minimum in order to maximise the funds that are available to provide support to cancer patients.

Policies on reserves.

The beneficiaries of Pretty 'n' Pink are Breast Cancer patients in Northern Ireland. Pretty 'n' Pink Breast Cancer Charity is committed to providing a grant funding service to patients with Breast Cancer in Northern Ireland. Over recent years, the number of applicants has increased significantly and, as a result, the number of patient support grant payments have also increased.

In January 2020, the Charity launched an Information & Support Hub in Belfast providing further support services including Counselling and Complementary Therapies. In September 2022, the Charity opened a further Information & Support Hub in Portadown.

Pretty 'n' Pink is committed to ensuring that it has sufficient resources to sustain the Pretty 'n' Pink Support Fund and other support services, along with expenses for events, salaries, rent and other costs over the long term. Where possible, Pretty 'n' Pink will seek funding opportunities to increase its financial reserves in order to ensure that the Support Fund and other services provided can continue.

Reserves represent income that is used to meet payments from the Support Fund, salaries, rent and other general expenses required to operate the Charity.

It is necessary for a reserve policy to be in place to enable the Charity to maintain its objectives and ensure that it can deal with unforeseen circumstances.

The Trustees have reviewed the annual accounts for the last three years. Given the considerable increase in grant payments from the Support Fund and the cost of the Counselling and Complimentary Therapies, it has been agreed that the long term aim of the Charity is to have sufficient reserves to cover outgoings for a period of twelve months in order for it to remain operational. This level is appropriate to ensure that there are sufficient funds to meet support fund payments as well as staff costs, and rent and other expense payments.

The Trustees continue to monitor the outgoings and expenses of the Charity on a quarterly basis.

The reserves policy will be reviewed annually in line with all other policies and procedures.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Trustees' Annual Report for the year ended 31 August 2023

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities (Northern Ireland) Act 2008, as amended and The Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 10 to 20.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the second edition of the Bulletin issued in October 2019 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102.

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006, applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 8 May 2024.

Mr Patrick Porter
Director and Trustee

Pretty n Pink Limited for the year ended 31 August 2023

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 August 2023

I report to the Trustees on my examination of the financial statements of the charitable company on pages 10 to 27 for the year ended 31 August 2023 which have been prepared in accordance with the Charities (Northern Ireland) Act 2008, as amended (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the second edition of the Bulletin issued in October 2019 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in Northern Ireland (CCNI), and under the historical cost convention and the accounting policies set out on page 14.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 6, the charitable company's Trustees, who are also Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities (Northern Ireland) Act 2008 as amended and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement under section 65 (2) of the Charities (Northern Ireland) Act 2008 as amended (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- examine the financial statements of the charity under section 65 (3) of the Act;
- b) follow the applicable procedures in the Directions to Independent Examiners made by the Charity Commission in Northern Ireland and;
- c) state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement and scope of work undertaken

and;

I conducted my examination in accordance with the Directions to Independent Examiners made by the Charity Commission in Northern Ireland, setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, I have completed my examination: and can confirm that:-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

The gross income of the charitable company in the year ended 31 August 2023 appears to exceed the sum specified in Section 65(4) of the Act, namely £100000, and that I am qualified to act as Independent Examiner in accordance with that section by virtue of my being a qualified member of Chartered Accountants Ireland;

The accounts are being examined in the circumstances specified in Section 66 (1) (f) of the Act and the date when the Charity Commission dispensed with requirements for audit under Section 65 (2) of the Charities (Northern Ireland) Act 2008 as amended (the Act).

This is a report in respect of the examination carried out under Section 65 (3) of the Act and in accordance with Directions to Independent Examiners made by the Charity Commission in Northern Ireland which may be applicable.

and that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 63 of The Charities (Northern Ireland) Act 2008, as amended;

when preparing accounts on an accruals basis, to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Act and the Regulations setting out the form and content of charity accounts;

have been prepared in accordance with the methods and principles set out in FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the second edition of the Bulletin issued in October 2019 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102.

Pretty n Pink Limited

Notes to the Accounts for the year ended 31 August 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounting policies have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the second edition of the Bulletin issued in October 2019 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in Northern Ireland (CCNI), and in accordance with all applicable law in the charity's jurisdiction of registration

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as trading revenues. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 31 August 2023, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Risks and future assumptions

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Pretty n Pink Limited

Notes to the Accounts for the year ended 31 August 2023

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Dividends are accrued when the shareholder's right to receive payment is established.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Income from legacies

Income from legacies is recognised when the charity has sufficient evidence that a gift has been left to them, that where required, probate has been granted, the executor is satisfied that the property in question will not be required to satisfy claims in the estate, that it is probable that the amount will be received by the charity, and the amount to be received can be estimated with sufficient accuracy, and that any conditions attached to the legacy are either within the control of the charity or have been met.

Where a payment is received from an estate or is notified as receivable by the executors after the reporting date and before the accounts are authorised for issue but it is clear that the payment had been agreed by the executors prior to the end of the reporting period, then the amount concerned is treated as an adjusting event and accrued as income in the accounting period if receipt is probable.

Where the charity has established entitlement to a legacy but there is uncertainty as to the amount of the payment, details of the legacy are disclosed as a contingent asset until the criteria for income recognition are met. Where a legacy is subject to the interest of a life tenant, the legacy is not recognised as income until the death of the life tenant.

If it is doubtful that full settlement of a legacy debtor will be received, then an adjustment is made to reduce the amount of the legacy debtor and legacy income rather than charging the adjustment as expenditure in the Statement of Financial Activities

Notes to the Accounts for the year ended 31 August 2023

Donated goods, facilities and services

Donated fixed assets are recognised at the current fair value. All such donations are recognised as donation income, and debited to fixed assets.

Donated goods that are not fixed assets are accounted for at a fair value, unless it is impractical to reliably measure the value of the donated items.

In the absence of any direct evidence of fair value of donated goods, then a value is derived from the cost of the item to the donor or, in the case of goods that are expected to be sold, the estimated resale value after deducting any anticipated costs of sales.

If it is impracticable to measure the fair value of goods donated for resale, or the costs of valuation outweigh the benefits, the donated goods are recognised as income when sold, with an equivalent amount being recognised as an expense.

The costs of goods donated for distribution to beneficiaries is deemed to be the fair value of those goods upon receipt. When the goods are distributed freely or for a nominal consideration, then the carrying amount is adjusted at the time of sale, to the value at the point of distribution and the adjustment is shown as a cost of donations made.

The carrying amount of any stock held for distribution is assessed for impairment at the reporting date. All donated goods are recognised as donation income, and debited to trading stock. When trading stock is subsequently sold, or appropriated to meet an expense, then the carrying value of the stock is recognised as an expense. In accordance with the SORP, goods donated for distribution to beneficiaries, or for consumption by the charity are included in '*legacies and donations*'. Goods donated for resale are included in '*Income from other trading activities*'

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt. If the goods held are to be distributed freely or for a nominal consideration, then the carrying amount is subsequently adjusted to reflect the lower of deemed cost adjusted for any loss of service potential and replacement cost. Replacement cost is the economic cost incurred if the charity was to replace the service potential of the donated goods at its own expense in the most economic manner.

Donated services and facilities (including seconded staff and use of property) are included in the accounts on the basis of the value of the gift to the charity.

All donated services and facilities are recognised as donation income when received, (provided the value of the gift can be measured reliably) and recognised as an expense with an equivalent value.

Membership subscriptions

The income and any associated Gift Aid or other tax refund from a membership subscription received by the charity in the nature of a gift, is accounted for on the same basis as a donation.

The income from a membership subscription received by the charity where the subscription purchases the right to services or benefits is recognised as income from charitable activities.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 6.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the charity, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability.

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding.

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There are no significant implications of financial instruments to the charity's financial position.

6 The contribution of volunteers

The Charity operates with a team of three full time members of staff, a voluntary Board of Trustees and some 20 - 25 volunteers. The charity relies heavily on volunteers to enable it to sustain the services provided to patients and operate the "Pre-Loved" charity shop. The volunteers are invaluable to the operation of the charity shop at weekends to allow it to remain open.

The charity also has volunteers who give their time to provide services to patients for complementary therapies, counselling and provide emotional support when required. Without the help and support of volunteers, the charity could not sustain its support service or raise funds for the Support Fund. Arrangements are made with volunteers to cover any expenses they have in providing their time. They are not employed by the Charity and no contract regarding employment is in place.
