Statement of members' responsibilities in respect of the members' report and the financial statements

The members are responsible for preparing the members' report and the financial statements in accordance with applicable law and regulations.

The law relating to Limited Liability Partnerships (LLP's) requires the members to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

Under the Limited Liability Partnership Regulations 2008, the members are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that its financial statements comply with those regulations. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the LLP and to prevent and detect fraud and other irregularities.
