NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2015

1. ACCOUNTING POLICIES

The principal accounting policies adopted by the LLP are consistent with those applied in previous years and are as follows:

Basis of Accounting

The financial statements have been prepared under the historical cost convention, in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and in accordance with the requirements of the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' published in 2006.

Depreciation

Depreciation is provided on all tangible fixed assets so as to write off the cost, over their expected useful economic life as follows:

Fixtures and Fittings	*25% straight line*

Stocks

Stocks are valued at the lower of cost and estimated net realisable value after taking account of obsolete and slow moving stocks. Net realisable value is the estimated selling price less all costs to be incurred in bringing items into saleable condition.

Finance Leases and Hire Purchase Agreements

Assets acquired under these forms of agreement are capitalised as tangible fixed assets and depreciation is provided accordingly. The present value of future rentals is shown as a liability and the interest element of rental obligations is charged to the profit and loss account over the period of the lease, in proportion to the capital balance outstanding.

Post Retirement Payments to Members

In the event of the death, retirement or expulsion of any Member, there shall be due to him from the LLP, the amount of his Member's Share as shown in the accounts for the LLP for the Year End following such death, retirement or expulsion. There is no provision for payment of Goodwill.
