NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2014

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP); "Accounting by Limited Liability Partnerships", revised in 2010 and the Companies Act 2006.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Attributable turnover is recognised on unbilled client assignments, if the final outcome can be assessed with reasonable certainty, as contract activity progresses and the right to consideration is earned. It is calculated by considering the amounts that can reasonably be expected to be recoverable from clients based upon time spent and expenses incurred.

Turnover in respect of contingent assignments (over any agreed minimum fee) is recognised in the period in which the contingent event occurs.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Leasehold improvements	In equal instalments over the lease term
Software	4 years
Office equipment	10 years

1.4 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.5 Stock

Work in progress that does not fall within the definition of attributable turnover is valued at the lower of cost and net realisable value.

1.6 Long term contracts

Amounts recoverable on long term contracts, which are included in debtors, are stated at the net sales value of the work done after provision for contingencies and anticipated future losses on contracts, less amounts received as progress payments on account. Excess progress payments are included in creditors as payments on account.

1.7 Pensions

The LLP operates a defined contribution scheme for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

1.8 Taxation

The LLP is not subject to tax on its profits as taxation remains the responsibility of its members. Accordingly, no current or deferred tax charge is provided for in these financial statements.
