Notes to the abbreviated accounts for the Period Ended 31 December 2011

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and in accordance with the requirements of the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' issued in March 2010 (SORP 2010)

Members' remuneration

A member's share of the profit or loss for the year is accounted for as an allocation of profits. Unallocated profits and losses are included within 'other reserves'.

Start-up costs

Start-up costs are accounted for on a basis consistent with similar costs incurred as part of the LLP's ongoing business.

Where there are no similar ongoing costs, start up costs which satisfy the criteria under relevant accounting standards to be recognised as assets are included in the balance sheet. All other costs are written off as incurred.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the LLP after deducting all of its liabilities.
