Limited liability partnership information

Lasercomb Solutions LLP is a limited liability partnership incorporated in England and Wales. The registered office is Unit 2 Meir Road, Old Forge Drive, Redditch, Worcestershire, B98 7SY.

The limited liability partnership's principal activities are disclosed in the Members' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in January 2017, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the limited liability partnership. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Reporting period

The limited liability partnership's accounting period has been shortened due to cessation of trade. As a result, comparative amounts presented in these financial statements (including the related notes) are not entirely comparable.

1.3 Turnover

Turnover represents the amounts recoverable for the services provided to clients, excluding value added tax, under contractual obligations which are performed gradually over time.

If, at the Balance sheet date, completion of contractual obligations is dependent on external factors (and thus outside the control of the Limited Liability Partnership), then revenue is recognised only when the event occurs. In such cases, costs incurred up to the Balance sheet date are carried forward as work in progress.

1.4 Cash at bank and in hand

Cash at bank and in hand are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.5 Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the profit and loss account for the period.
