1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015), and in accordance with the requirements of the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' issued in March 2010 (SORP 2010).

Members' remuneration

Remuneration is paid to certain members under a contract of employment and is included as an expense in the profit and loss account after arriving at 'profit for the financial year before members' remuneration and profit shares'.

In addition, the LLP agreement provides that fixed amounts, determined for each member each year, be paid to members, irrespective of the profits of the LLP. These amounts are also included within members' remuneration charged to the profit and loss account.

A member's share of the profit or loss for the year is accounted for as an allocation of profits. Unallocated profits and losses are included within 'other reserves'.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the LLP after deducting all of its liabilities.

2 Loans and other debts due to members

	2016 £	2015 £
Loans from members	-	216

Loans and other debts due to members are unsecured and would rank *pari passu* with other unsecured creditors in the event of a winding up.
