The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Investments

Fixed asset investments are stated at cost less provision for any impairment.

1.4 Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at future dates, at rates expected to apply when they crystallise based on current tax rates and law.

Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements.

Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

1.5 Group accounts

The financial statements contain information about the Company as an individual undertaking and do not contain consolidated financial information as the parent of a group. The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included in the consolidated financial statements of their ultimate parent undertaking, Pernod Ricard S.A., a company incorporated in France.

1.6 Cash flow statement

In accordance with Financial Reporting Standard No1 (Revised) the Company is exempt from preparing a cash flow statement as its ultimate parent undertaking, Pernod Ricard S.A., has included a cash flow statement in its financial statements which are publicly available.

1.7 Current taxation

This Budget announced proposals to reduce the main rate of corporation tax of 20% applicable from 1 April 2015 to 19% from 1 April 2017 and to 18% from 1 April 2020.
