NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2012

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

1.3 Turnover

Turnover consists of rentals receivable, excluding VAT, together with related expenses in the period under contracts to supply services to third parties. It includes the relevant proportion of contract value for performance up to the period end.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Investment properties are included at their open market value and are not depreciated.

Compliance with the Financial Reporting Standard for Smaller Entities in respect of investment properties is a departure from the Companies Act 2006 necessary to give a true and fair view.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Deferred tax is not provided on timing differences arising from the revaluation of tangible fixed assets where there is no commitment to sell the asset.
