Notes to the Abbreviated Accounts
for the year ended 31 January 2012

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents invoiced sales of goods, excluding Value Added Tax.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value of each asset, over its expected useful life, on a reducing balance basis, as follows: Farm Implements and Machinery 20%, Tractors/Motor Vehicles 25%. No depreciation is provided on land.

Stocks

Stocks are stated at the lower of cost and net realisable value.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
