STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires Directors to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those Financial Statements, Directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Financial Statements comply with the Companies Act 1985. They are also responsible for safeguarding the Assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The principal activity of the Company is the operating of a retail pharmacy.

REPORT OF THE REGISTERED AUDITOR TO THE MEMBERS OF T.W. BUCHANAN (CHEMISTS) LIMITED

I have audited the Financial Statements on pages 4 to 7 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective Responsibilities of Directors and Auditor

As described on page 2 the Company's Directors are responsible for the preparation of Financial Statements. It is my responsibility to form an independent opinion, based on my audit, on those Statements and to report my Opinion to you.

Basis of Opinion

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the Financial Statements. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the Financial Statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the Financial Statements are free from material mis-statement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the Financial Statements.

Opinion

In my opinion, the Financial Statements give a true and fair view of the state of the Company's affairs at 30th September, 1995 and of its profit for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985, applicable to small Companies.

J.A.C. CLARK,
CHARTERED ACCOUNTANT.
