Statement of directors' responsibilities

Company law requires directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that year. In preparing those accounts, the directors are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable the directors to ensure that the accounts comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Auditors

As the Company has been and continues to be dormant a Special Resolution was passed at the last Annual General Meeting for the Company to avail itself of S250 of the Companies Act 1985 and exempt itself from the obligation to appoint auditors.
