Notes to the Abbreviated Accounts

For the year ending 05 April 2011

1 **Accounting policies****Accounting convention**

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Investment Properties

No depreciation is provided in respect of investment property. The Companies Act 1985 requires all properties to be depreciated but this requirement conflicts with the principal set out in the Financial Reporting Standard for Smaller Entities which requires that investment properties are not depreciated. As the investment properties are held for the purposes of investment and not consumption, the directors consider that the Financial Reporting Standard for Smaller Entities should be adopted in order for the financial statements to give a true and fair view.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Fixtures and fittings 20% on reducing balance
