Notes to the Abbreviated Accounts
for the year ended 5 April 2013

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 20% on reducing balance

Investment properties

No depreciation is provided in respect of investment property. The Companies Act 1985 requires all properties to be depreciated but this requirement conflicts with the principal set out in the Financial Reporting Standard for Smaller Entities which requires that investment properties are not depreciated. As the investment properties are held for the purposes of investment and not consumption, the directors consider that the Financial Reporting Standard for Smaller Entities should be adopted in order for the financial statements to give a true and fair view.
