4 Going concern

The company's liabilities exceeded its assets by £14,720(2010 - £14,192) at 28 February 2011.The company has continued to trade due to the support of the creditors.Since there is no evidence that this situation is about to change the directors consider it appropriate to prepare the financial statements on a going concern basis.Should this support be withdrawn then it would be necessary to adjust the assets to reflect their realisable values.
