PATON PLANT LIMITED
REPORT OF THE DIRECTORS

The directors submit their report together with the accounts of the company for the year ended 30 June 2011.

Results

The results for the year are set out in the profit and loss account on page 4.

Final Dividend

The directors recommend payment of a final dividend for the year of £2,000,000 (2010 - £1,000,000).

Directors

The directors during the year were as follows:

Mr S Price	(Chairman)
Mr G Finlayson	(Managing Director)
Mr C L Brown	

Principal Activities and Review of the Business

The company's principal activity is the marketing, distribution and servicing of Portakabin Limited products for sale and hire.

The company has had a good year in its Hire and Sales businesses despite difficult market conditions.

The business monitors itself against a number of performance indicators. Some of the key indicators are turnover, operating profit and profit before tax as disclosed in the profit and loss account.

The key challenge going forward is maintaining and growing volumes in what is expected again to be a challenging economic environment in the coming financial year.

Provision of Information to Auditors

The directors who held office at the date of approval of this director's report confirm that, so far as they are each aware, there is no relevant information of which the company's auditors are unaware; and each director has taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and KPMG LLP will therefore continue in office.

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PATON PLANT LIMITED

We have audited the financial statements of Paton Plant Ltd for the year ended 30 June 2011 set out on pages 4 to 10. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's web-site at www.frc.org.uk/apb/scope/private.cfm

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2011 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or

we have not received all the information and explanations we require for our audit.

PATON PLANT LIMITED
NOTES ON THE ACCOUNTS

for the year ended 30 June 2011

1. Accounting Policies

Basis of Preparation

The accounts have been prepared in accordance with applicable accounting standards and using the historical cost convention.

Under FRS 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that its ultimate parent company (Shepherd Building Group Ltd) includes the Company in its own published consolidated financial accounts.

The immediate parent company and smallest group for which consolidated accounts are drawn up is Portakabin Ltd which is incorporated in the United Kingdom.

Group accounts are also prepared by the ultimate parent company, Shepherd Building Group Ltd, a company incorporated in the United Kingdom. A copy of those consolidated accounts can be obtained from Companies House.

As permitted by paragraph 3 of FRS 8 (Related Party Transactions), transactions with related group entities are not disclosed.

Turnover

Turnover is recognised (excluding Value Added Tax) as follows;

- Sales contracts (other than long term sales contracts): the sales value of products delivered is recognised on practical completion.
- Long term sales contracts: turnover is recognised on cost appropriate to the stage of completion of the contract, plus attributable profit less amounts recognised in previous years.
- Rental income: recognised in the period the rental relates to.

Depreciation of Fixed Assets

Depreciation is provided against the original cost of all fixed assets except freehold land. Provision is made by way of equal annual instalments over the estimated useful lives of the assets, which are mainly as follows:

Buildings	9 to 50 years
Hire fleet plant and equipment	3 to 9 years
Other plant and equipment	3 to 10 years

Revenue Fittings

Where client specified items are incorporated into hire fleet units, the cost of those items are charged to the profit and loss account on a straight line basis over the period of the initial hire contract. Any such costs which have not yet been charged to the profit and loss account at the balance sheet date are included in other debtors.

Stocks and work-in-progress

Stocks are valued at the lower of cost and net realisable value. Work-in-progress is also valued at the lower of cost and net realisable value. The value of work-in-progress and finished goods includes production costs and other appropriate overheads which are attributable to the stage of manufacture which has been reached.

Tax Policy

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised in respect of all timing differences which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19. Where appropriate the liability has been discounted to reflect the time value of money.

PATON PLANT LIMITED
NOTES ON THE ACCOUNTS

for the year ended 30 June 2011

Pension contributions

The Company participates in a Group pension scheme providing benefits on both a final salary and defined contribution basis. The Company is unable to reliably identify its share of the underlying assets and liabilities of the scheme and therefore, as required by FRS 17 (Retirement benefits), accounts for the scheme as if it were a defined contribution scheme. In addition the company makes contributions on behalf of eligible employees to external defined contribution schemes. In respect of all of these pension arrangements the amount charged to the profit and loss account represents the contributions payable to the schemes in respect of the relevant year.

11. Called Up Share Capital

The authorised share capital of the company is £1,500,000 divided into ordinary shares of £1 each, all of which are allotted and fully paid.

12. Pensions

During the year, the Company's employees (where eligible) were members of a group pension scheme providing benefits on a defined contribution and, where applicable, defined benefit basis. The funds of the scheme are independent of the group's finances and are administered by a Trustee. The defined benefit sections of the scheme were closed to future accrual on 30 June 2011.

The Company is unable to identify its share of the scheme assets and liabilities on a consistent and reasonable basis, and therefore as permitted by FRS 17 'Retirement benefits', the scheme has been accounted for as if it were entirely a defined contribution scheme.

The latest full actuarial valuation was carried out at 31 December 2009 which indicated a deficit of £25m, measured at a group level. A recovery plan including monthly payment of deficit contributions has been agreed with the Trustee and has been filed with The Pensions Regulator.

In addition to employer contributions to members' defined contribution accounts and the agreed group deficit contributions, the Company will be making a further contribution to the fund of 2% of pensionable pay for all members of the group scheme to cover administration costs and life assurance in 2011/12.

The Company also makes payments on behalf of eligible employees to third party schemes, all of which provide benefits on a defined contribution basis.

The pension charge for the period represents contributions of £104,000 (2010 £95,000) payable to defined benefit arrangements and £112,000 (2010 £110,000) payable to defined contribution arrangements. There were no outstanding or prepaid contributions at either the beginning or end of the financial year.

Additionally, as required by FRS17, a separate valuation as at 30 June 2011 has been undertaken by an independent qualified actuary. This valuation on the FRS 17 basis showed a small surplus in the scheme. Full details of the FRS 17 valuation are disclosed within the financial statements of Shepherd Building Group Limited.
