NOTES

(forming part of the financial statements)

1 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost accounting rules and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on the going concern basis. The Directors have carefully considered the current trading of the business and the financial and other resources available to the company and believe that preparing the accounts on this basis is appropriate.

Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction.

Taxation

Provision for corporation tax is made on taxable profits at the appropriate corporation tax rate.

Deferred taxation

Deferred taxation is recognised in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by the Financial Reporting Standard for Smaller Entities.

2 TURNOVER

Turnover represents the invoiced value of management and administrative services, net of value added tax.
