Notes to the Abbreviated Accounts

For the year ending 31 May 2011

1 **Accounting policies**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Deferred taxation

The charge for taxation is based on the profit for the year as adjusted for tax purposes. The company provides for deferred taxation in full on timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax balances are not discounted and deferred tax assets are only recognised where their recoverability in the short term is regarded as more likely than not.

Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Freehold property	2% on cost
Plant and machinery	20% on cost
Fixtures and fittings	15% on cost
Motor vehicles	25% on reducing balance
