Notes to the Financial Statements
for the Year Ended 30 June 2017

1. **STATUTORY INFORMATION**

Stewart Shaw Holdings Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Group accounts

The company has not prepared group accounts using the exemption conferred by section 382 of the Companies Act 2006 on the grounds that its subsidiaries are small companies and the group is a small group as defined by section 383.

Employee benefit trusts

Trusts have been established for the benefit of group employees. Monies held in these trusts are held by independent trustees and managed at their discretion.

Where the group retains future economic benefit from, and has de facto control of, the assets and liabilities of the trusts, they are accounted for as assets and liabilities of the group until the earlier of the date that an allocation of trust funds to employees in respect of past services is declared and the date that the assets of the trust vest in identified individuals.

Where monies held in a trust are determined by the group on the basis of employees past services to the business and the group can obtain no future economic benefit from these monies, such monies, whether in the trust or accrued for by the group, are charged to the profit and loss account in the period to which they relate.
