NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2014

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents invoiced sales of construction services during the year, along with the net movement in work in progress within the building trade, excluding value added tax and trade discounts.

Work in progress

Work in Progress is valued at cost plus realisable profits less foreseeable losses, by the Managing Director.

Deferred tax

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a small self administered pension scheme. The scheme is managed through an Insurance Company, which holds the funds separately from the company assets, and the company has no liability beyond the pension premiums due.

Revenue recognition

In accordance with the principle of revenue recognition, income is recognised as the right to consideration through performance of contractual obligations and is included in the financial statements when the company is legally entitled to the income.

2. CALLED UP SHARE CAPITAL
