The directors consider that for the year ended 31 March 2000 the company was entitled to exemption under subsection 1 of section 249A of the Companies Act 1985. No member or members have deposited a notice requesting an audit for the current financial year under subsection 2 of section 249B of the Act.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, *and which otherwise comply with the requirements of the Act relating to* financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The abbreviated financial statements on pages 2 to 4 were approved by the board of directors on 29 January 2001 and signed on its behalf by:

NOTES ON ABBREVIATED FINANCIAL STATEMENTS

31 March 2000

1 Accounting policies

Basis of accounting
The financial statements have been prepared under the historical cost convention.

The financial statements have also been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective March 2000).

The company has taken advantage of the exemption from preparing a cash flow statement on the grounds that it qualifies as a small company under the Companies Act 1985.

Turnover
Turnover represents the amount derived from the provision of goods and services after deduction of trade discounts and value added tax.

Depreciation
Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows:

Tangible fixed assets	20% on cost

Leases and hire purchase contracts

Rentals paid under operating leases are charged to income as incurred.

Stocks
Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis.

Net realisable value is based on estimated selling price less the estimated cost of disposal.
