ACCOUNTANTS' REPORT TO THE DIRECTORS OF TOLNEX LIMITED

YEAR ENDED 30 SEPTEMBER 2012

In accordance with our terms of engagement, and in order to assist you to fulfil your duties under the Companies Act 2006, we have prepared the financial statements of the company on pages 2 to 4 from the accounting records and information and explanations supplied to us.

This report is made to the Company's Directors, as a body, in accordance with the terms of our engagement. Our work has been undertaken to enable us to prepare the financial statements on behalf of the Company's Directors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's Directors, as a body, for our work or for this report.

We have carried out this engagement in accordance with best practice guidance issued by the Institute of Chartered Accountants of Scotland and have complied with the ethical guidance laid down by the Institute relating to members undertaking the preparation of financial statements.

You have acknowledged on the balance sheet as at 30 September 2012 your duty to ensure that the company has kept adequate accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006. You consider that the company is exempt from the statutory requirement for an audit for the year.

We have not been instructed to carry out an audit of the financial statements. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the financial statements.

NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2012

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Office equipment and fittings - 33.33% straight line

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax, with the following exceptions:

Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

1. ACCOUNTING POLICIES *(continued)*

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Going concern

During the year the company has increased the level of trading therefore increasing profitability, which the directors consider to be maintainable. On this basis, the directors consider it appropriate to prepare the financial statements on a going concern basis.
