CAMPHILL SOCIAL FUND LIMITED

COUNCIL MEMBERS' REPORT

FOR THE YEAR ENDED 31 MARCH 2016

The Council of Management present their report and financial statements for the year ended 31 March 2016.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)).

Objectives and activities

The charity's objects are:

- to provide support to individuals who have committed themselves to the Camphill movement and who are now through sickness, infirmity or old age, in need of financial support;
- to provide support to individuals who have worked in other anthroposophical organisations and who have similar needs;
- to provide accommodation for the sick, the infirm and the aged and to make investments in projects which assist the foregoing aims;
- to provide for the support of the next of kin of such persons;
- to make provision for the immediate needs of such persons who, by force of circumstances, are required or choose to leave the Camphill movement and begin a new life elsewhere.

Achievement of these aims will help to ensure that those who have committed themselves to the Camphill movement and who are now in need of support as a result of sickness or old age are accommodated and taken care of; likewise their next of kin and others who have worked in other anthroposophical places.

The charity considers requests which come towards it, either from the individual(s) concerned or from a community on their behalf. These requests are considered in the light of our Memorandum and Articles of Association, first by a small committee and then, if deemed appropriate, by the Trustees. In some instances this may involve liaising with other similar funds in the UK or Europe.

The charity collects contributions from the different member communities. Further income is received from investments and loan interest. The Trustees current position is to aim to meet all the requests coming towards it from the community contributions.

The charity monitors success by:

- Ongoing contact with individual recipients of funds, acknowledging that the funds granted are contributing to their well-being.
- Scrutinising financial statements at each meeting.
- Scrutinising investment reports at each meeting.

In the past year, the charity has looked at several requests for loans, hoping to be able to grant these and so increase its income.

The charity made a donation of £10,000 to Crossfields Institute during the year.

The charity has been looking at its structures and ways of working, with a view to adapting these to changing circumstances. Specifically this has to do with the approaching retirement of the administrator; the fall in levels of contributions from the communities, and the lack of project seeking loans.

COUNCIL MEMBERS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2016

Achievements and performance

During the year, the charity has continued to have been able to meet all requests for assistance that were considered by the Council of Management to be appropriate, while at the same time substantially increasing their resources.

The investment objective of the charity, as agreed between the Council of Management and the fund managers, is to enhance the capital value of the fund in real terms over the long term with all investments made satisfying the conditions of the Charities and Trustee Investment (Scotland) Act 2005 and relevant statutory instruments. In accordance with the charity's ethical aims the portfolio should avoid any direct investment in companies where more than 5% of revenues are generated from tobacco, armament, pornography or child labour.

There are no significant positive factors affecting the achievement of our objectives over the last year.

Significant negative factors affecting the achievement of our objectives over the last year include:

- The failure of three of the four loan applications to be followed through by the applicants.
- The current economic climate.

Financial review

The deficit of income over expenditure after realised and unrealised gains and losses for the year was £176,070 (2015 surplus £291,986). The deficit for the year can be attributed to the significantly higher unrealised loss arising from the revaluation of investments in order that they are reported at market value on the balance sheet. Investments are held for the medium to long term.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six months' expenditure. The Council of Management considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The main source of funding is from contributions received from individual operating companies as listed above and gains on investments made. During the year contributions from Camphill Rudolf Steiner Schools Limited continued at the reduced rate experienced in 2015 and the Council of Management are considering ways to offset that loss of revenue.

During the year Camphill Social Fund Limited made charitable donations totalling £10,000 (2015 - £nil).

Investments are managed on a combination of low to medium risk activities, with bank deposits, secured loans, investment in equity and bonds and unsecured loans. The investments were managed on behalf of the charity by Brewin Dolphin Limited.

The Council of Management has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Camphill Social Fund's reserve policy continues as before, to hold the equivalent of between three and six months' expenditure as unrestricted funds.

The main source of funding continues to be the contributions from the individual operating companies. In addition, growth of the fund is achieved through gains from investment and from loan interest. The investments are managed on behalf of the charity by Brewin Dolphin.

The Council will continue to manage the fund in order to increase reserves, provide for any calls for support and further the aims of the charity.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Council of Management and auditor

As described in the statement of Council members' responsibilities, the Council of Management, who are also the directors of the charity for the purposes of company law, are responsible for preparing the Council Members' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and for being satisfied that the financial statements give a true and fair view.

Scope of the audit of the accounts

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Council of Management; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Council Members' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Council Members' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies

Company information

Camphill Social Fund Limited is a private company limited by guarantee incorporated in Scotland. The registered office is Brodies LLP, Solicitors, 31-33 Union Grove, Aberdeen, AB10 6SD.

1.1 Accounting convention

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006 and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.

The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities Accounts (Scotland) Regulations 2006 (as amended) only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

These financial statements for the year ended 31 March 2016 are the first financial statements of Camphill Social Fund Limited prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 April 2014. The reported financial position and financial performance for the previous period are not affected by the transition to FRS 102 and no restatements are required. However, in previous years realised and unrealised gains and losses on investments were shown separately on the face of the SOFA. Under the requirements of FRS 102 they are now combined under one heading on the face of the SOFA and disclosed separately in note 9 of the financial statements. A subtotal line between realised and unrealised gains and losses has been removed from the SOFA but there has been no change to the figure reported as Net movement in funds.

During the course of preparing the financial statements for the year ended 31 March 2016 funds held by Brewin Dolphin at the year end previously recorded within other debtors have been reclassified and are now recorded within cash to better reflect the true position. The 2015 financial statements have been restated to reallocate £13,171 of other debtors to cash at bank and in hand. The effect of this adjustment on the 2015 financial statements is that the debtors for the year have decreased by £13,171 and cash at bank and in hand has increased by £13,171. There was no effect on the SOFA for the year.

1.2 Going concern

At the time of approving the financial statements, the Council of Management have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Council members' continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Council of Management in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

CAMPHILL SOCIAL FUND LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2016

1 Accounting policies

(Continued)

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Investment income is included when receivable.

Incoming resources from charitable activities represents contributions received and are attributable to the charity's principal activity.

1.5 Expenditure

Expenditure is recognised on an accruals basis as a liability incurred. Expenditure includes VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Costs of raising funds comprises the costs associated with managing the investment portfolio.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

Support and governance costs were previously shown separately in the SOFA under SORP (FRSSE 2005). The charitable expenditure shown as the 2015 comparatives in the SORP has been restated to include governance costs of £7,178, consistent with the treatment under SORP (FRS 102).

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

CAMPBILL SOCIAL FUND LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Taxation

The charity is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities.

1.9 Fund accounting

All funds are unrestricted and represent funds available for use at the discretion of the Council of Management in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing investment assets at market value.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Council of Management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
