## **Turner (Dundee) Limited**

### **Notes to the Abbreviated Accounts** **for the year ended 31 March 2007**

#### **1 ACCOUNTING POLICIES**

##### **Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

##### **Turnover**

Turnover represents net invoiced sales of goods, excluding value added tax

##### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

|                     |             |
|---------------------|-------------|
| Plant and machinery | 15% on cost |
| Motor vehicles      | 20% on cost |

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

##### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

##### **Hire purchase and leasing commitments**

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

##### **Pensions**

The company contributes to defined contribution pension schemes on behalf of various employees. The assets of the schemes are held separately from those of the company in independently administered funds. The pension cost charge represents contributions payable by the company to the funds for the year.
