AUDITORS' REPORT TO THE COMPANY

PURSUANT TO SECTION 247B OF THE COMPANIES ACT 1985

We have examined the abbreviated accounts on pages 2 to 6, together with the financial statements of the company for the year ended 30 June 2001 prepared under Section 226 of the Companies Act 1985.

RESPECTIVE RESPONSIBILITIES OF THE DIRECTORS AND THE AUDITORS

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act to the registrar of companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and report our opinion to you.

BASIS OF OPINION

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

OPINION

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act, and the abbreviated accounts on pages 2 to 6 are properly prepared in accordance with those provisions.

NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS

YEAR ENDED 30 JUNE 2001

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective March 1999).

Consolidation

In the opinion of the directors, the company and its subsidiary undertakings comprise a small group. The company has therefore taken advantage of the exemption provided by Section 248 of the Companies Act 1985 not to prepare group accounts.

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year, exclusive of Value Added Tax.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and Machinery	- 10% Straight Line
Equipment & Fittings	- 15% Straight Line
Motor Vehicles	- 25% Straight Line

Investment property

Investment properties are revalued annually, and the aggregate surplus or deficit is transferred to the revaluation reserve. The directors consider that this accounting policy results in the financial statements giving a true and fair view.

Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on the normal level of activity. Provision is made for any foreseeable losses where appropriate. Profit is included in the valuation of work in progress where the outcome of the project can be foreseen with reasonable certainty.

Government Grants

Government grants in respect of capital expenditure are credited to a deferred income account and are released to profit over the expected useful lives of the relevant assets by equal annual instalments. Revenue grants are released to profit over the life of the project to which they relate.

Deferred taxation

Provision is made, under the liability method, to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences to the extent that it is considered that a net liability may arise
