MODERN HOUSING LIMITED
INDEPENDENT AUDITOR'S REPORT TO MODERN HOUSING LIMITED
UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts, together with the financial statements of Modern Housing Limited for the period from 1 January 2010 to 31 January 2011 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITOR

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

BASIS OF OPINION

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

OPINION

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

MODERN HOUSING LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

PERIOD FROM 1 JANUARY 2010 TO 31 JANUARY 2011

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Consolidation

In the opinion of the directors, the company and its subsidiary undertakings comprise a small group. The company has therefore taken advantage of the exemption provided by Section 398 of the Companies Act 2006 not to prepare group accounts.

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the period.

In respect of long-term contracts and contracts for on-going services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long-term contracts and contracts for on-going services is recognised by reference to the stage of completion.

Fixed assets

All fixed assets are initially recorded at cost. Costs of refurbishment of properties is based on costs specific to each property together with costs allocated to each property by the directors in line with professionally costed bill of quantities.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings	- 25% Cost
Equipment	- 25% Cost

Investment properties

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve unless a deficit, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year.

This is in accordance with the FRSSE which, unlike the Companies Act 2006, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the provisions of the Act is required in order to give a true and fair view.

Properties are valued a minimum of every 3 years by professionally qualified property experts. In the intervening years the directors assess the value of the properties.

NOTES TO THE ABBREVIATED ACCOUNTS

PERIOD FROM 1 JANUARY 2010 TO 31 JANUARY 2011

1. ACCOUNTING POLICIES *(continued)*

Stocks

Stocks are valued at the lower of cost and net realisable value. Cost comprises purchase price of properties including all associated fees and duties, together with all attributable direct costs incurred to date as identified by the directors.

Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

Pension costs

The company operates a small self-administered pension scheme for its directors and other nominated employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

NOTES TO THE ABBREVIATED ACCOUNTS

PERIOD FROM 1 JANUARY 2010 TO 31 JANUARY 2011

2. FIXED ASSETS *(continued)*

In accordance with Statement of Standard Accounting Practice No 19, investment properties are revalued annually on this basis, any surplus or deficit being transferred to the revaluation reserve. Accordingly, such assets are not depreciated as this would conflict in the Director's opinion, with the requirement to give a true and fair view, (see note 1). It is not possible to quantify the depreciation which would otherwise have been charged.

Had the company's investment properties not been revalued they would have been stated at cost and net book value of £3,407,338.

The net book value of investments represents the entire issued share capital of Lapday Limited, a non-trading company.

Under the provision of the Companies Act 2006 the company is exempt from preparing consolidated accounts and has not done so, therefore the accounts show information about the company as an individual entity.

3. RELATED PARTY TRANSACTIONS

The company was under the joint control of Mr A Smith and Mrs D Smith throughout the current and previous year. The balance owed to the Directors at 31st December 2010 amounted to £40,082 (2009: £147).
