Briggs Environmental Services Limited

Strategic Report for the Year Ended 31 March 2014

The directors present their strategic report for the year ended 31 March 2014.

Business review

Fair review of the business

Turnover for the year, including share of joint ventures, has decreased slightly by 4% from the previous year to £4.7m as a result of lower environmental response and salvage related work in the UK. Gross Profit also decreased slightly to £0.92m, having been £1.094m in the previous financial year.

The group turnover, net of joint ventures, has also decreased from the previous year to £4.7m. The operating profit before the share of joint venture results decreased from that that reported in the previous year of £0.43m to £0.41m. The operating profit, including the joint venture results, also increased from £0.39m in the previous year to a profit of £0.46m. The two joint ventures in Malta and Oman remain in a difficult phase, but have not significantly impacted the result for the year, and the joint venture in Egypt remains subject to the political volatility in Egypt during the year.

Notwithstanding the overseas Joint Ventures, progress continues to be made in improving the operating performance of the business.

Market Developments

The company is continuing to develop its business in the UK by offering a fuller scope of service to both new and existing clients, and extending our participation in the supply chain, and we expect the results in 2014/2015 to reflect further progress. The performance of the joint venture in Egypt remains subject to the political changes in country, whilst the joint ventures in Malta and Oman require continued strong management.

The improvement on the operating performance during the year has continued to transform the business. The potential for future earnings also remains positive, driven by management effort which has been applied to continually improve the UK trading position, allied to the increasing number of opportunities which are arising in new geographical markets.

Briggs Environmental Services Limited
Strategic Report for the Year Ended 31 March 2014

..... continued

Health and Safety is a key foundation upon which we build in each and every area of our business. During the past 12 months, the Board has continued to focus effort in monitoring and improving our health and safety performance. For the period April 13 to March 14 our Incident Frequency Rate (IFR) was 0.00 per 100,000 man hours. (2013: 0.679 per 100,000 man hours)

The target for the next 12 months is to develop and sustain improved performance in all areas of health and safety.

Corporate and Social Responsibility

The company continues to develop a comprehensive Corporate and Social Responsibility Policy. It is being aligned to an agreed set of core values which will be the foundation of our long term principles and operating philosophy. This is a high priority within the company and is being championed by the Chairman and Managing Director. Briggs is fully aware that it not only has a responsibility for all of its employees' well being, but also that of the environment and community as a whole.

The policy will incorporate Health and Safety, Service Delivery, Business and Energy Efficiency, Environmental Management, Sustainability, Workplace, Training and Development, and Business Ethics. It will include reporting upon our carbon footprint and other environmental KPIs, with each area having clearly defined Standards of Performance and Key Performance Indicators set, and these will be monitored and reported to the Board on a frequent basis.

Headcount

The permanent headcount has decreased during the year, in spite of the growth in business activity reflecting the efficiencies introduced into the UK business. We continue to utilise temporary employees to cover the peak requirements in as required, which is the most cost effective way of delivering our business. The total headcount, including contract staff, as at 31 March 2014 was 74 excluding our joint ventures in Egypt, Brazil and Malta (31 March 2013 = 78).

Principal risks and uncertainties

With regard to our Environmental Services activities in the UK, utilisation of the workforce is the key to profitability in this area. A significant part of the revenue generated in this area is on a call out basis and is subject to fluctuations driven by customer requirements. We are progressively offering an extended supply chain and a fuller scope of service to clients. This makes the company a more attractive solution to a client, and also reduces the risk of lower utilisation rates

Approved by the Board on 18 December 2014 and signed on its behalf by:

Director

Briggs Environmental Services Limited

Directors' Report for the Year Ended 31 March 2014

The directors present their report and the consolidated financial statements for the year ended 31 March 2014.

Directors of the company

The directors who held office during the year were as follows:

P T Diamond

R Briggs

G Crookston

R C Briggs

Financial instruments

Objectives and policies

In terms of the financial risk in the present economic climate, the Group continues where appropriate to finance any expansion of its activities through long term bank funding where the funding term is matched to the life of the asset or to the contract which the asset is being purchased to service.

Price risk, credit risk, liquidity risk and cash flow risk

The Group does not trade in financial instruments.

The board reviews the internal credit limits of all major customers and reviews the credit risk regularly. The aging profile of trade debtors shows that payments from customers are close to terms.

At the time of writing, the Group's operational bank account remains within it's facility and current forecasts indicate that this will continue to be the case in the medium term.

The Group does not have to roll over any loans in the next twelve months.

Equality and Diversity Statement

The Group has an inclusive environment that is based on the selection and retention of its employees on the basis of individual ability and achievement, where all employees can develop their full potential. This positive approach to promoting diversity is a key element of its strategy for success as an inclusive employer.

The Group understands the importance of its most valuable asset – its employees, customers and stakeholders and continues to work towards ensuring that equality of opportunity is embedded within policies, practices and procedures. It endeavors to ensure that no employees, customers, contractors and/or visitors suffer any discrimination, nor are they disadvantaged because of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation or any other Statutory Legislation.

Briggs Environmental Services Limited
Directors' Report for the Year Ended 31 March 2014

..... continued

Employee involvement

The group's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the group's performance.

There is no employee share scheme at present.

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the group's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and which they know the auditor is unaware of.

Reappointment of auditors

The auditors Morris & Young, Statutory Auditor are deemed to be reappointed under section 487(2) of the Companies Act 2006.

Approved by the Board on 18 December 2014 and signed on its behalf by:

.....
R Briggs
Director

Briggs Environmental Services Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and the company's transactions and disclose with reasonable accuracy at any time the financial position of the group and the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Briggs Environmental Services Limited

We have audited the financial statements of Briggs Environmental Services Limited for the year ended 31 March 2014, set out on pages 9 to 31. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the group and parent company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the group and parent company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the group and parent company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 6), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and parent company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Consolidated Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 March 2014 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report and Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Briggs Environmental Services Limited

..... continued

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Briggs Environmental Services Limited

Notes to the Financial Statements for the Year Ended 31 March 2014

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently.

Basis of consolidation

The group financial statements consolidate the financial statements of the company and its subsidiary undertakings drawn up to 31 March 2014.

Subsidiary undertakings are included using the acquisitions method of accounting. Under this method the group profit and loss account and statement of cashflows include the results and cashflows of subsidiaries from the date of acquisition and to the date of sale outside the group in the case of disposals of subsidiaries. The purchase consideration has been allocated to the assets and liabilities on the basis of fair value at the date of acquisition.

No profit and loss account is presented for the company as permitted by Section 408 of the Companies Act 2006. Its profit for the financial year was £313,754 (2013 - £332,885).

Entities in which the group holds an interest on a long-term basis and are jointly controlled by the group and one or more other venturers under a contractual arrangement are treated as joint ventures. In the group financial statements, joint ventures are accounted for using the net equity method.

Going concern

Briggs Environmental Services Limited is a wholly owned subsidiary of Briggs Commercial Limited. The company also is a borrower and guarantor under the group's borrowing facilities as set out in the contingent liability note. These accounts have been prepared having regard to the group's trading forecasts for the next twelve months. These forecasts include detailed cashflow projections. Notwithstanding the above, given the current economic environment, there remains a risk that the external trading environment may be worse than currently envisaged, and as a result, the directors of Briggs Commercial Limited have also reviewed forecasts which include sensitivities that make allowance for that risk. Should such a scenario arise, the directors of Briggs Commercial Limited have confidence that they have adequate liquidity and covenant headroom to ensure that the group can meet its liabilities as they fall due for the foreseeable future. After taking this in to account the directors of Briggs Environmental Services Limited consider that it is appropriate to prepare these accounts on a going concern basis.

Briggs Environmental Services Limited

Notes to the Financial Statements for the Year Ended 31 March 2014

..... continued

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers.

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services to third parties in the normal course of business net of VAT and trade discounts. Revenue from goods and services is recognised when goods and services have been provided and the right to consideration has been earned.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and Buildings Freehold	None
Land and buildings Leasehold	Straight line over the term of the lease
Fixtures, fittings & equipment	10 - 15% Reducing balance & 33 - 100% straight line
Motor vehicles	25% Reducing balance

Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value. Work in progress is valued at selling price.

Deferred tax

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Foreign currency

Company

Transactions in foreign currencies are recorded at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the closing rates at the balance sheet date. All exchange differences are included in the profit and loss account.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Briggs Environmental Services Limited

Notes to the Financial Statements for the Year Ended 31 March 2014

..... continued

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the group is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

Pensions

The group operates a defined contribution pension scheme. Contributions are recognised in the profit and loss account in the period in which they become payable in accordance with the rules of the scheme.

2 Turnover

The segmental analysis by geographical area is disclosed in the ultimate parent company's group accounts.

3 Operating profit

Operating profit is stated after charging:

	2014	2013
	£	£
Operating leases - other assets	253,163	253,073
Foreign currency losses/(gains)	144,440	(25,195)
Loss on sale of tangible fixed assets	12,143	627
Depreciation of owned assets	102,039	116,731
Auditor's remuneration	<u>7,725</u>	<u>3,000</u>

Briggs Environmental Services Limited
Notes to the Financial Statements for the Year Ended 31 March 2014

..... continued

4 Auditor's remuneration

	2014 £	2013 £
Audit of the financial statements	<u>7,725</u>	<u>3,000</u>

£7,725 (2013 - £3,000) of the fee for auditing the financial statements relates to the company.

5 Particulars of employees

The average number of persons employed by the group (including directors) during the year, analysed by category was as follows:

	2014 No.	2013 No.
Administration and support	4	5
Production & sales	<u>72</u>	<u>74</u>
	<u>76</u>	<u>79</u>

The aggregate payroll costs were as follows:

	2014 £	2013 £
Wages and salaries	1,237,768	1,453,954
Social security costs	72,919	77,881
Staff pensions	<u>12,847</u>	<u>13,813</u>
	<u>1,323,534</u>	<u>1,545,648</u>

6 Taxation

Tax on profit on ordinary activities

	2014 £	2013 £
Current tax		
Corporation tax charge	86,724	97,291
Deferred tax		
Origination and reversal of timing differences	<u>7,347</u>	<u>3,921</u>
Total tax on profit on ordinary activities	<u><u>94,071</u></u>	<u><u>101,212</u></u>

Factors affecting current tax charge for the year

Tax on profit on ordinary activities for the year is lower than (2013 - higher than) the standard rate of corporation tax in the UK of 23% (2013 - 24%).

The differences are reconciled below:

	2014 £	2013 £
Profit on ordinary activities before taxation	<u>458,371</u>	<u>391,351</u>
Corporation tax at standard rate	105,425	93,924
Capital allowances in excess of depreciation	(7,598)	(13,293)
Non deductible expenses	522	6,401
Adjustment for joint ventures	<u>(11,625)</u>	<u>10,259</u>
Total current tax	<u><u>86,724</u></u>	<u><u>97,291</u></u>
