Notes to the Abbreviated Accounts
for the Year Ended 30 September 2012

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on cost

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Investment properties

In accordance with Statement of Standard Accounting Practice Note 19, the property held for investment is included in the balance sheet at its open market value. Depreciation is not provided in respect of freehold investment properties.

This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the financial statements may give a true and fair view, because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation.
