The notes on pages 3 to 4 form part of these financial statements

1. ACCOUNTING POLICIES

(a) Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention, and in accordance with applicable accounting standards. They include the results of the company's operations as indicated in the directors' report, all of which are continuing.

(b) Depreciation of tangible fixed assets

Tangible fixed assets are stated at cost or valuation less depreciation.
The cost or valuation of tangible fixed assets is written off over their expected useful lives as follows:

	Period	Principal annual rate	
Plant & Equipment	6-7 Years	25%	Reducing Balance
Motor Vehicles	6-7 Years	25%	Reducing Balance
Fixtures & Fittings	6-7 Years	25%	Reducing Balance

(c) Deferred Taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability will crystallise in the near future.

2. TURNOVER

Turnover comprises the invoice value of goods and services supplied by the company, net of Value Added Tax.
